DHBC EVENT SPONSORSHIP PROGRAM TERMS & CONDITIONS

1. Applications for DHBC Sponsorships must be fully completed and submitted using the DHBC Event Sponsorship Application Form. DHBC may refuse or delay incomplete or partially completed Application Forms.
2. DHBC does not sponsor activations, initiatives, or events that take place outside of the [Downtown Halifax catchment area](#). DHBC also does not sponsor political or religious events or rallies, professional conventions or conferences, charitable or fundraising efforts or events, or events or initiatives that are exclusively virtual or online only.
3. Applications are reviewed during DHBC's bi-monthly Marketing Action Team meetings only. Comprised of DHBC members, the Marketing Action Team evaluates all sponsorship opportunities against the Sponsorship Assessment Guidelines. Applications must be received at least 60 days prior to the event start date. Last minute applications will no longer be reviewed. All applicants will be contacted immediately after assessment with the result of the evaluation.
4. DHBC provides sponsorships up to \$7,500.00 (CAD) (including HST if applicable) depending on the estimated attendance for the event(s). DHBC has a limited sponsorship budget, and not all applications will qualify for funding. Sponsorships are assessed on a first-come, first-served basis.
5. In order to provide funding to a variety of different events, event organizers hosting multiple events in a fiscal year will not receive more than the maximum amount they are eligible to apply for as determined by the combined event attendance for all their events in a fiscal year. It is therefore recommended that event organizers apply once for all their events.
6. If sponsorship funds provided by DHBC are not used in their entirety for the intended purpose during the event indicated in the application, the organization must return the funds to DHBC to the attention of Kimberly Dossett, Director of Finance & Operations (kimberly@downtownhalifax.ca).
7. If there is a change to the event for which a DHBC sponsorship has been granted (e.g., the location has changed, the event has been postponed, etc.), email notification of the change must be communicated to Allana MacDonald Mills (allana@downtownhalifax.ca) immediately to determine how the sponsorship partnership will go forward. If an event is moved outside of the Downtown Halifax catchment area after a DHBC sponsorship has been awarded, the sponsorship will automatically be terminated.
8. DHBC's official logo will be used to recognize the contributions of DHBC where and when applicable. The logo file(s) along with DHBC's Graphic Standards Manual will be provided to the organizers by DHBC at the time the sponsorship is awarded.
9. DHBC reserves the right to use any information related to the event being sponsored in promotional materials and advertising (e.g., DHBC's social media platforms). The use of information will be at the discretion of DHBC and may be done without notice.
10. The Summary Report must be submitted no later than **3 months** after the event finish date (or the finish date of the last event) to Allana MacDonald Mills, Director of Marketing (allana@downtownhalifax.ca). Organizations that fail to submit the Summary Report will not be considered for future sponsorship requests.
