To Whom it May Concern,

Downtown Halifax Business Commission (DHBC) and our Board of Directors are writing this letter in support of ***“amending the Nova Scotia Liquor Act to allow the serving of alcoholic beverages on tourism vehicles.”***

DHBC believes that by supporting this amendment we would be supporting many of our tourist-focused business members, and it is aligned with other Canadian jurisdictions.

Should you require more, I would be happy to speak with someone directly.

Kind Regards,
