

GRITTY TO PRETTY PLACEMAKING PROGRAM

MURAL GRANT 2020 Eligibility, Criteria, and Application Form

Gritty to Pretty consists of three grants, which include the Mural Grant, the Façade Lighting Grant, and the Open Grant. These projects contribute to Downtown Halifax Business Commission's (DHBC's) strategic placemaking goals.

This grant offers support towards the costs involved in creating and delivering new inspiring installations in prominent Downtown locations. Aimed at improving the image of structures in Downtown Halifax, the work will enhance the environment and add to the experience of visiting the area while also contributing to local regeneration. This opportunity exists for artists to bring their ideas to life and provide a platform for their talent to be showcased.

Since part of the intent of this program is to add colour to the Downtown and enhance the pedestrian experience, priority will be given to proposals that are playful, fun, and take into consideration the element of surprise and unexpectedness in an urban environment. Applications can be considered in conjunction with the Gritty to Pretty Façade Lighting Grant to further enhance the nighttime pedestrian experience.

Murals shall be of exceptional design and quality, using high-quality materials that enhance the appearance of the site. Materials may include paint or any other artistic mediums suitable for an outdoor location. The mediums used must be durable and able to withstand typical/normal wear and tear, as well as harsh outdoor elements. The mural shall be designed and painted by a qualified artist/muralist who has sufficient knowledge and experience in the design and painting of such projects, and in the application of the medium selected for the project.

A NOTE ON COVID-19: For the health, safety, and well-being of staff, members, and the public, DHBC is currently following the directives of the Nova Scotia Health Authority. DHBC asks that Gritty to Pretty grant applicants and recipients follow these directives when researching, creating, or installing Gritty to Pretty placemaking projects to aid in containing and avoiding the spread of the virus.

General grants awarded are usually between a few hundred dollars and up to \$10,000. Funding for larger grant requests may be considered. Grant funding is limited, and each grant is subject to a cap. Funding, of up to \$10,000, requested through this program can be used to cover costs such as artist fee, infrastructure and equipment, collaborator or consultant fees, and support for securing permits. Other funding partners are allowed and encouraged to increase the quality and feasibility level of the project. All other funding partners and contributing dollar amounts should be included in the budget submitted to DHBC.

WHO MAKES THE DECISIONS

Your application will be considered by a sub-committee of the DHBC's Placemaking Action Team. This team is composed of art professionals with mural experience, the project management team (DHBC staff), and members of the larger Placemaking Action Team.

PAYMENT

DHBC will issue grant money by cheque in installments. Vendor/supplier invoices will be required before grant cheques are issued. Receipts and an expense report with HST breakdown will be required within 30 days of completion of the project.

WHAT KIND OF PERMISSIONS WOULD I NEED – OTHER THAN FROM THE DEVELOPER/PROPERTY OWNER?

If the project is located on public property, permissions will be required by either Halifax Regional Municipality and/or the provincial government, or other. Please be aware that this can be a lengthy process. It is suggested that you start the permission process as soon as possible, ideally prior to beginning the grant application process. The grant approval process takes into consideration the feasibility of a proposed project; permission discussions already being undertaken would be considered an asset. It is not DHBC's responsibility to acquire or coordinate permissions.

WHAT IF MY PROJECT GOES OVER BUDGET?

The grant amount awarded at the time of acceptance is fixed. No additional funds will be granted to the applicant by DHBC through the Gritty to Pretty Mural Grant Program for that particular project. Expenses above and beyond the amount awarded by DHBC are the sole responsibility of the applicant or other partners, if applicable.

WHO NEEDS TO BE RECOGNIZED ONCE THE PROJECT IS COMPLETE?

A Gritty to Pretty plaque, provided by DHBC, must be visibly placed below the mural. "Downtown Halifax Business Commission" must be recognized as a "Funding Partner through the Gritty to Pretty Mural Grant Program" of the project when the project is referred to in print, online, or in media releases. Other funding partners, if any, will be recognized at the discretion of the project organizer/owner.
